

Timers - Thumbwheel, Multiprogrammable & Delayed ON/OFF

Mimic stock a wide range of products including Timers. Of these Timers, the MDT 131OF Thumbwheel Timer is a versatile multi-range timer designed for various industries such as packaging, printing, food, and automation. It features a thumbwheel for easy time setting, offering a clear delayed on/off timer function. Users can quickly adjust time in hours, minutes, or seconds. This timer is equipped with a 3-digit LED display for clear time readouts and offers a 1-relay, 2-C/O output configuration. With a micro switch input and a remote reset option, it also includes power failure memory. Its dimensions are 96mm x 96mm x 54mm, and it operates on a supply voltage of 100-270V AC.

Ideal for DIN rail mounting is the multiprogrammable MDT-17U Multifunction Timer. It is designed for efficient control in various applications, such as electrical appliances, lights, fans, heaters, automation panels, and HVAC systems. With a versatile power supply range of 12 to 240V DC and 20 to 240V AC, it supports multiple timing modes like on-delay, interval, cyclic, pulse output, and latching relay. The timer offers time settings from 0.1 sec to 3 hours and a high-resolution of 0.1 sec. Its compact design (90 x 62mm) features a polycarbonate body, relay contact rating of 5A at 250V AC, and an optional IP-65 protection.

If a basic Timer is required, look no further than the DT-60S On/Off Delay Timer. This DIN rail-mounted device is designed for precise delay activation and deactivation. With fixed time ranges of 60, 30, or 10 seconds, minutes, or hours, it ensures accurate and reliable timing. The unit is powered by standard 230V AC power and requires no complex programming, making setup quick and easy. The timer's compact size (90mm x 22.5mm x 72mm) allows for seamless integration into various systems. Its specifications include a 415V AC $\pm 20\%$, 50 Hz power supply and a 5A 230 VAC resistive load relay output, offering broad compatibility and efficient performance.

Whatever your needs, call us for more information on Timers, our staff are here to assist you.
